

## **Early Intervention**

The Jack Kane Community Centre is about to embark on another visit to Niddrie Mill Primary School to carry out our Early Interventions project with Miss Goodall Primary 6 class. This work covers topics such as Friendships and Bullying, Community Life, Stereotypes and Internet Safety.

This links in with the four capacities which is part of the regular curriculum. Therefore complementing the fine work that is already carried out in the class with Miss Goodall.

The project will take a maximum of 8 weeks to complete. Starting on the Tuesday the 24<sup>th</sup> August 2010 and finishing on the 12<sup>th</sup> October 2010.

Each child will receive a final report showcasing there work and new knowledge from participating within the project at the end of October.

There will be times when your child will be coming home and asking your thoughts about certain topics so watch out for the extra homework in addition if you feel that there is a topic we do not cover but would benefit the children then we would be more than happy to hear from you.

Copies previous work in relation to this project can be viewed at [www.cafek.org](http://www.cafek.org).

Should you require further information, please call Davie Owens (Children's Development Worker on 657-1595 at the Jack Kane Community Centre.
