

Internet Safety

Niddrie Mill will be running
Internet Safety Weeks
P1 –P7

25th January—29th January
1st February– 5th February

Assembly and information Session 5th February

Pupils will be learning about different aspects of Internet through the lessons created by Government Scheme Thinkyouknow, which will be delivered by Miss Borthwick (ICT coordinator).

<http://www.thinkuknow.co.uk/>

Class teachers will complete follow up work in class
An assembly will take place about Internet Safety and also raising awareness of CEOP (Child exploitation and online protection) on 5th February.

Parents are also welcome to talk to Miss Borthwick in the Drama room about any Internet Safety issues they have (Also 5th February).

Hope you can make In this day and age this is an essential part of your child's education
